

Remarks/Arguments

The present application claims priority based on an earlier filed French Application. All of the amendments to the claims and specification are to put this application in better form for a U.S. patent application and not to overcome any prior art.

Any fees or charges due as a result of filing of the present paper may be charged against Deposit Account 04-0525. Two duplicates of this page are enclosed.

Respectfully,

A handwritten signature in black ink, appearing to read 'D E Bartholomew', written over a horizontal line.
